

Bid submission not meeting the mandatory requirements will result in the bid being disqualified.				
No.	Mandatory Requirement		Comments	
1	It is estimated that tenderers must have a CIDB contractor grading designation of 5ME or higher.		Submit proof of cidb document	
TECHNICAL REQUIREMENTS				
	Evaluation Criteria (Technical)			
	TENDER TITLE : Design, Supply, Installation, Commissioning and Training for the A-train demineralisation plant			
No.	Technical Criteria Description	% Contribution	Proof/Documents to be submitted	Notes
1	Technical Capability: Experience			
a)	Tenderers' previous experience in similar work, environment and magnitude  5 and more relevant reference letters with full details listed = 30% 3 relevant reference letters with full details listed = 15% Less than 3 relevant reference letters = 0%	30%	Submit signed reference letters from previous or existing clients detailing the work performed including the duration of the engagement.	
2	Reliability/ Delivery lead time			
a)	Gannt Chart/Delivery schedule (including Offsite manufacturing)  Gannt Chart/Delivery schedule indicating Offsite manufacturing < 30 weeks = 30% Gannt Chart/Delivery schedule indicating Offsite manufacturing = 30 weeks = 20% Gannt Chart/Delivery schedule indicating Offsite manufacturing > 30 weeks = 0%	30%	Bidders should submit a Gannt Chart/Delivery Schedule indicating lead time in weeks.	
3	Scope of Work Compliance			
a)	SOW Compliance: Does the tenderers' submission meet the required flow of work logic and the specifications indicated in the scope of works?  Relevant = 40% Not relevant = 0%	40%	Relevance will be measured from the submitted preliminary high level Work Methodology that considers but not limited to, manufacturing; crantage, rigging, transportation requirements, engineering design and management of the project, installation, commissioning and training, instrumentation and electrical requirements, risk assesments and the safety plan.	
	Total Technical Score:	100%		
	NOTE: Scoring to add to 100 in total			
	Minimum score	70%
